Here's a partial list and a letter I'm thinking of using. Any thoughts?

Dear Editor,

I am sending you this letter because I thought you might be interested in seeing some of Prospect Agency's clients who are especially interested in IP or work-for-hire projects.

It can be challenging to find just the right author for a specific project, so we thought we'd make it a little easier by creating an easy to read document to have on hand. The clients in the attached document represent some of our most talented and enthusiastic writers from all genres: romance, middle grade, YA, children's books, suspense, media-tie ins, and more!

Please keep in mind this is only a partial list of our clients and you should definitely check out our website to stay up to date on evolving list. In the meantime, I hope someone here strikes just the right note. We'd be thrilled to work with you.

Best,  
Emily  
President, Prospect Agency
